

MUKURU SAFARIS

WHERE MEMORIES ARE MADE

INTRODUCTION

The adventure of a lifetime awaits... That adrenaline rush you've been longing for, the perfect opportunity to spend time and reconnect with family or just the absolute silence of the surrounding bushveld and the calls of Africa ringing through your soul.

Mukuru Safaris is undeniably the answer, tailor-made for all your needs, situated in the breathtakingly beautiful Waterberg Mountain Range just 230km North of O.R. Tambo International Airport.

Mukuru Safaris (meaning "the greatest" in Shona) retains the exclusive hunting and photographic rights on $\pm 15\,000$ hectares ($\pm 37\,000$ acres) of privately owned land, which boasts with the most spectacular Wildlife to gaze in all of Africa. This mesmerising landscape is surrounded with natural habitat of thick bushveld, open grasslands, high mountain slopes and marshland.

At Mukuru Safaris the wild African veld certainly helps to set a magical scene and is what we call home to over 30 species of antelope including the gracious Giraffe, enormous Eland, mighty Buffalo, the tiny Steenbuck and many more.

Come and enjoy a heart-warming getaway at the exclusive lodge nestled in between the Waterberg Mountains with the

silence of the night with the occasional jackal call, Baboons barking in the distance and beautiful call of the African Night birds.

Mukuru Safaris is part of a long-term family business with more than 30 years' experience, where core values are continuously engraved across generations. These values are carried over to the younger generations, who strive to carry the long-lasting family culture and legacy forward.

Most importantly, we offer a platform where acquaintances become friends, where adventures turn into memories, and experiences last a lifetime! We look forward to growing in the enterprise and serving the hunting community with professionalism and success!

THE TIME IS NOW!!

"Mukuru Safaris is highly recommended, not only for the hunter but also for the non-hunter!! We had a spectacular time, an experience of a lifetime!!"
- Adrian Rodgers (Wyoming, USA)

OTHER ACTIVITIES

HELICOPTER SAFARI

Do an exclusive game viewing experience from the helicopter and experience Africa in a totally different way by seeing the view from the highest mountains or coming closer than to galloping zebra or wildebeest on the African plains, you can almost touch them.

HORSE BACK SAFARI

With horses seen as a normal part of daily life, a horse riding safari guest can get closer to wildlife than probably anywhere else in Africa. The private reserve offers an incredible diversity of terrain and scenery as well as wildlife, including many of the rarer species not easily observed elsewhere.

ELEPHANT INTERACTION

You will enjoy a close, personal and safe encounter with our gentle giants. Here you will learn about elephants and how incredibly smart they are.

BIRD SHOOTING

Depending on the season we can also give you the opportunity to do some bird shooting. Options include pigeons, guinea fowl or pheasants shooting. This will be a fun day out away from the normal hunting areas.

NIGHT SAFARI

Experience the thrill of South Africa's night life in the bush with a diverse variety of nocturnal animals that you would never be able to see in daytime. Whether you are looking to hunt some of these species or only see them in their natural habitat, this is an experience not to miss.

FISHING

Whether you just want to relax next to a dam while enjoying a sundowner with a line in the water to catch some local fish or a deep sea fishing safari in Mozambique with a trusted deep sea charter company. We can arrange both these exciting activities.

We can also help by booking and or accompanying you to the Kruger National Park or Cape Town to enjoy the wine routes and iconic Table Mountain.
